AccessPharmacy.com

## Useful FEATURES

Functional calculators, lab test information, and an integrated drug database provide clinical relevance, while daily news from Pharmacotherapy News Network (PNN) and monthly updates from the editors of *Goodman & Gilman's* ensure currency.

A flexible online resource, **AccessPharmacy** allows users to select a **Core curriculum topic**, browse by **organ system**, review the **textbook** online, or **search** across leading pharmacy online references.

## AccessPharmacy CONTAINS:

- **More than 14,000** pages of content.
- **Core curriculum** modeled on the Accreditation Council for Pharmacy Education (ACPE) guidelines with **500 curricular topics**.
- Separate **organ-system based mapping**.
- Over **150 drug-therapy cases** with **Q&A** and **care plans** that students can complete and submit to faculty. A secure instructor's guide with answer key is available to course directors.
- **Functional calculators** focused on unit conversions.
- New calculators added monthly.
- **Interactive Q&A** with over 4,000 questions mapped to the core curriculum.
- Dedicated **NAPLEX review** from *Quick Review Pharmacy* and *Pharmacy and Federal Drug Law Review*.
- **Extensive glossary** of over 1,000 terms.
- Integrated **drug database** provides complete chemical structure and dosing information; adverse reactions; indications and contraindications; patient education in English and Spanish; and full-color photos of all formulations.
- **"Drug of the Week" quiz** that tests the ability to visually identify the top **200 brand-name drugs**.
- Detailed drug interaction **animations** adapted from *Goodman & Gilman's The Pharmacological Basis of Therapeutics*.
- Featured virtual case with interactive decision-making.
- **Updated regularly!**

### Editor-in-Chief:

**Terry L. Schwinghammer, PharmD, FCCP, FASHP, BCPS**

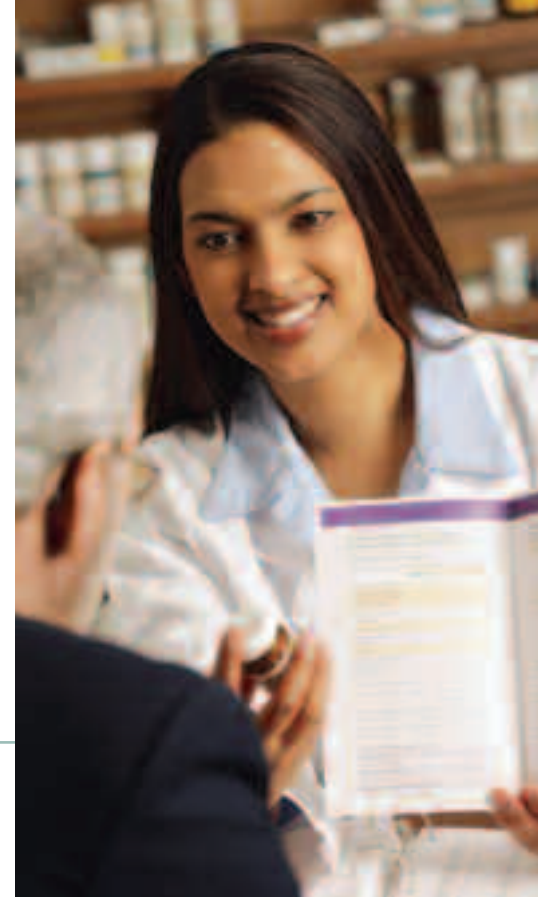

Professor and Chair, Department of Clinical Pharmacy, West Virginia University School of Pharmacy.

Editor of *The Pharmacotherapy Casebook: A Patient-focused Approach*, McGraw-Hill.
